

EXIM TECHTRAINING makes it easy for individuals seeking professional certification in Information Technology to access low cost financing.

Funds of up to \$562,000 are now available at 12% p.a., on the reducing balance.

It's Easy

For loans of up to J\$300,000, you need:

- 2 references, and
- At least 2 guarantors of satisfactory net worth who will be required to co-sign the promissary note

For loans over \$300,000 suitable collateral is required.

Applying for a Loan

Your application should include:

- An employment letter confirming earnings and loan repayment capability
- Copies of your last 3 salary slips
- Letter of recommendation from the training institution indicating the course applied for, the length and cost of course, along with any other information pertinent to loan processing

You must be able to self-finance at least 20% of the cost.

Repayment Schedule

You have the choice of repaying the loan by:

- Monthly repayments via salary deduction, or
- Standing Order through an Approved Financial Institution

GET CERTIFIED

Loan funds may be used to cover courses of study and associated exam fees for any of the certifications listed below.

Microsoft
Cisco
Linux
Internet Webmaster
Business Professional
Comp TIA A+
Electronic Technicians Association
Fibre Optics Association
Information Technology Security

Courses must be taken at an accredited institution in Jamaica. This facility does not finance programmes already covered by the Students Loan Bureau.

Suitable Collateral Includes:

- Hypothecation of Cash
- Guarantee from an EXIM Bank Approved Financial Institution
- Government of Jamaica Certificates of Deposit or Treasury Bills
- Letters of undertaking from reputable institutions
- Supported personal guarantees
- Assignment of life insurance policies
- Shares in publicly listed companies to a maximum of 60% of market value

Processing Fee

You will be required to pay an up-front, non-refundable processing fee of \$2,330.00 plus G.C.T.
